WAR TAXES

On April 15, 1915, the Special War Revenue Act became effective as follows:

WAR STAMP TAX ON LETTERS AND POST CARDS

A "War Tax" i.e. Stamp, in addition to the ordinary postage, must be affixed to each letter and post card mailed in Canada, for delivery in Canada, the United States, and Mexico; also on letters and post cards mailed in Canada for the United Kingdom and British possessions, or wherever the two-cent rate applies.

Failure on the part of the sender of a letter or post card to comply with the above, such letter or post card will be sent to the dead letter office.

Wherever possible and procurable, stamps on which the words "War Tax" have been printed should be used for prepayment of the "War Tax," but should ordinary postage stamps be used for the purpose they will be accepted.

The "War Tax" Stamp should be affixed to the upper right-hand portion of the envelope or post card. Circulars, catalogues, newspapers, and parcels are not subject to the "War Tax."

WAR STAMP TAX ON CHEQUES, SAVINGS DEPARTMENT RECEIPTS, BILLS OF EXCHANGE, PROMISSORY NOTES, ETC.

Cheques issued on Current Accounts. Receipts and Cheques issued on Savings Department Accounts.

Bills of Exchange and Promissory Notes delivered to a Bank must have a two-cent Stamp affixed.

The issuer of a Cheque or Bank Receipt must affix the stamp before payment can be made.

The person who delivers a Bill of Exchange or Promissory Note to a bank must affix a stamp before delivery.

Telegrams and Cables. A "War Tax" of one-cent is to be paid on all Telegrams or Cables.

Express and Money Orders. A "War Tax" of two-cents is to be paid on all Express and Money Orders.

Postal Notes. A "War Tax" of one-cent is to be paid on all Postal Notes.

The Special War Revenue Act also covers Railway, Steamship and Ocean Tickets; Sleeping Car and Parlor Car Tickets; Proprietary or Patent Medicines; Perfumes and Wines.

As the Tax on the above list varies according to the amount involved it is impossible for us to print the clause in detail. All items mentioned are, however, subject to a tax and the purchaser is liable for same.

CUSTOMS TARIFF EXTRA DUTY

On February 12th, 1915, under the Special War Revenue Act the following additional duties were imposed:—

Goods manufactured in Great Britain and imported under the Preferential Tariff subject to 5% in addition to present rate.

All other goods imported from all other countries under the General Tariff 7½% in addition to present rate. This extra duty applies to all imports, except certain articles as enumerated. It is impossible for us to print complete tariff here, reference should be made to special article shown in Customs lists.

The following will be found to be excellent rules for finding the interest on any principal for any number of days:

The Exchequer Court of Canada sits at such places and times as the Court may appoint.

The Supreme Court of Ontario

is a superior court of record having both criminal and civil jurisdiction. It consists of two divisions designated as the Appellate Division and the High Court Division. The Supreme Court is a continuation of the former Supreme Court of Judicature for Ontario which was composed of the Court of Appeal for Ontario and the High Court of Justice. The jurisdiction of the former Court of Appeal is vested in the Appellate Division and that of the High Court of Justice in the High Court Division. The Appellate Division is divided into two Courts known as the First Division and the Second Division. The First Division consists of the Chief Justice of Ontario and four judges known as Justices of Appeal. The second Division consists of a Chief Justice and four Justices selected annually from among themselves by the fourteen judges of the High Court Division. All the judges have equal jurisdiction, power and authority and each is ex-officio a member of the Division to which he does not belong.

The sittings of the Appellate Division are weekly except in Long Vacation and commence on the first Monday in each month. The First and Second Divisions as a rule sit alternate weeks but they may sit conveniently whenever necessary for the proper despatch of business. MATERIALLY ALTERING A NOTE in any manner by the holder makes it void.

NOTES GIVEN BY MINORS are void.
