THREE DAYS' GRACE are allowed on all time notes, after the time for payment expires; if not then paid, the endorser, if any, should be legally notified to be held.

NOTES FALLING DUE ON SUNDAY, OR ON A legal holiday, are paid the day following.

ALTERING A NOTE in any manner by the holder makes it void.

NOTES GIVEN BY MINORS are void.

THE MAKER of a note that is lost or stolen is not released from payment if the amount and consideration can be proven.

AN ENDORSER has a right of action against all whose names were previously on a note endorsed by him.

COMMERCIAL LAW.

ONTARIO.

ARREST FOR DEBT, ABSCONDING DEBTORS—When a creditor has a claim of \$100 or over, and can show to the satisfaction of the Judge that he has such claim and that there is reasonable and probable cause for believing that the debtor is about to leave the Province with intent to defraud his creditors, an order for arrest may be granted.

ASSIGNMENTS—Must be made to the Sheriff of the County where the debtor resides or carries on business, unless the majority of the creditors having claims of \$100 or over, consent to the appointment of some other person. The assignment must be filed within five days after execution, and notice inserted in the *Ontario Gazette* in the issue next after five days after execution; for default there is a penalty of \$25 per day.

BANKRUPTCY—There is no bankruptcy law in this Province, but a debtor may make an assignment for the benefit of creditors and ensure a rateable distribution of his assets, provided there are no execution creditors. Executions in the sheriff's hands prior to assignment are not affected by it. Assignment not under the Act does not require to be made to the sheriff.

BILLS OF EXCHANGE AND PROMISSORY NOTES—These are practically subject to the commercial law in respect of days of grace, notice and protest. Notes only bear interest from the date of maturity, and then at the legal rate, six per cent., unless the rate and time are expressly mentioned on the face. Loss of a bill or note does not prevent collection, but payee must be indemnified.

BILLS OF SALE AND CHATTEL MORTGAGES—Unless property changes possession instrument must be registered within five days in the office of the County Court Clerk, otherwise they are void as against creditors. There are special regulations regarding chattel mortgages and bills of sale in the territorial and provisional districts, both as to place of filing and time of filing. Chattel mortgages must be renewed yearly.

CONTRACTS—Contracts for sale of goods over \$40 require part performance or to be in writing, otherwise they are void. Contracts made on Sunday (with few exceptions), and contracts contrary to public policy or of an immoral character, are illegal.

COURTS, JURISDICTION OF—In money claims, on contract the jurisdiction of the Division Court extends to \$200 in liquidated claims, i. e., those settled by acts of the parties, and \$100 in unliquidated claims, that of the County Courts to \$400 and \$200 respectively, and that of the High Court claims beyond these amounts.

COMMISSIONS—When a witness resides out of the Province an order may be made to take his evidence on commission.

EXECUTION—In the County Court and High Court execution may issue immediately upon entry of judgment, unless stayed by order of the Court or Judge. Writs of Execution must be returned before the termination of a year from their date, and must be renewed each year following in like manner. Lands cannot be sold for one year from the time the writ is delivered to the sheriff, but debtors' lands are bound from date of delivery.

EXEMPTIONS—The exemptions from seizure under execution and distress are enumerated in the Revised Statutes, Chap. 64, and consist generally of:

- (1) Bed, bedding and bedsteads in ordinary use.
- (2) Necessary and ordinary wearing apparel.
- (3) One cooking stove with pipes, 1 heating stove with pipes, sewing machine, 30 vols. books, all spinning wheels and weaving looms, and a large number of articles of furniture, cooking utensils, etc., in all not to exceed the value of \$150.
- (4) All necessary fuel, meat, fish, flour and vegetables not more than sufficient for ordinary consumption of debtor and family for 30 days, and not exceeding in value the sum of \$40.
- (5) One cow, 6 sheep, 4 hogs and 12 hens, in all not to exceed the value of \$75; also food for them for thirty days.
- (6) Tools and implements of, or chattels ordinarily used in the debtor's occupation, to the value of \$100.
- (7) Bees reared and kept in hives to the extent of fifteen hives.

On the death of the debtor these goods go to the widow and family.

EXAMINATION OF JUDGMENT DEBTOR—The judgment debtor may be examined as to his property at the time debt is incurred, and his disposal of the same, and in the higher courts the transferee may also be examined. Any person in possession of property of the execution debtor may also be examined under order. On examination in the Division Court the Judge may order the debtor to pay the debt in such a way as he deems proper, and in default may issue an order for committal.

FRAUDULENT CONVEYANCES—Conveyances in fraud of creditors are void. Preferences by insolvents are void. Conveyances by debtors attached within sixty days or made within sixty days before an assignment for the benefit of creditors, are presumed to be made with intent to defraud or prefer.

COMMERCIAL LAW—Continued.

GARNISHMENT—Debts due the debtor may be attached in the Division Court at the time of the issue of the summons, but in the County Court and High Court only after judgment.

INTEREST—The legal rate is six per cent., and when no agreement and interest is payable, that is the rate. Interest is allowed on all written agreements and on accounts where notice is given that interest would be charged.

JUDGMENTS—Where defendant does not defend, judgment may be entered in the higher courts ten days after service of the writ in the action. In the Division Courts ten, fifteen or twenty days after service, according to the residence of the defendant.

LIMITATION OF ACTIONS—Actions of account must be brought within six years—on contracts under seal, twenty years. Actions on the covenant on a mortgage made after 1st July, 1894, must be brought within ten years. Part payment will extend the time of action.

MARRIED WOMEN—May now contract, carry on business, sue and be sued in the same manner as if unmarried. They have the right of dower in all the husband's real estate.

REGISTRY FOR DEEDS—Instruments for registry must contain a sufficient description of the property mentioned, and the execution be verified by affidavit in proper form of a witness present at the time of signature. Registration gives priority.

WILLS—Must be in writing, signed at the foot by the testator in the presence of two witnesses, both present with him at the same time, and of who in his presence and at his request, and in the presence of each other, sign their names as witnesses. A legacy or devise to a witness, or to the husband or wife of a witness, is void. An executor may be a proper witness. All wills are revoked by marriage. A minor cannot make a valid will. There is now a succession duty payable on property passing on the death of the owner, made up on a scale provided for in the Act, according to the amount of the estate and the relations inheriting.

QUEBEC.

ASSIGNMENTS—Any creditor for \$200 or over may make a demand of assignment on a debtor who does not pay, and if the latter refuses he may be arrested on a *caipias*. The court, on the advice of the creditors, appoints a curator or trustee who realizes and divides the estate. The debtor is only discharged to the extent of the dividend.

ATTACHMENTS—A *caipias* against the person or an attachment against the property of a debtor, may issue before judgment on an affidavit by the creditor or his agent that the debtor is about to abscond or to secrete his property with intent to defraud his creditors, or that he is insolvent and refuses to assign.

CHATTEL MORTGAGES—Are not recognized in Quebec. A creditor can only have a lien on chattels by keeping possession of them. An unpaid vendor of chattels or lands has a privilege or preference for the price.

COURTS—Magistrates' courts exist in some districts with jurisdiction up to \$50. The Circuit Court in Montreal, Quebec, and the chief town of each district has jurisdiction up to \$100, in outlying towns up to \$200. Cases above these amounts go to the Superior Court. Parties to a suit cannot give evidence on their own behalf. Actions brought on promissory notes, bills, cheques, and for the price of merchandise, are tried summarily. In other cases the delays are long.

EXECUTIONS—Execution against goods and lands cannot issue until 15 days after judgment, except upon an affidavit similar to that for attachments above. Chattels can be sold after 8 days' notice and lands after two months.

EXEMPTIONS—The following articles are exempt from seizure:—Beds, bedding and bedsteads used by the family; their wearing apparel; two stoves and their appendages; cooking utensils and furniture up to \$50; sewing machine if used for earning money; fuel and food for three months; a span of horses or yoke of oxen, 1 cow, 2 pigs, 4 sheep, plough, harrow, cart, etc.; tools up to \$80; any money or objects given or bequeathed for aliment or on condition of their being exempt from seizure.

INTEREST—Cannot be collected on an open account except upon a special agreement to pay it, or unless the debtor has been in the habit of paying it. No more than five years interest can be collected.

JUDGMENTS—A judgment is good for thirty years. If the defendant is insolvent a judgment gives the plaintiff no preference, except for the costs if a sale takes place under it.

LIMITATION—Promissory notes and accounts are prescribed or outlawed in five years from the time they become due.

MARRIED WOMEN—A married woman may carry on business. If she has no separate estate by marriage contract or judgment of the court, the husband also is liable for her business debts.
