A PRELIMINARY LIST
OF PUBLICATIONS

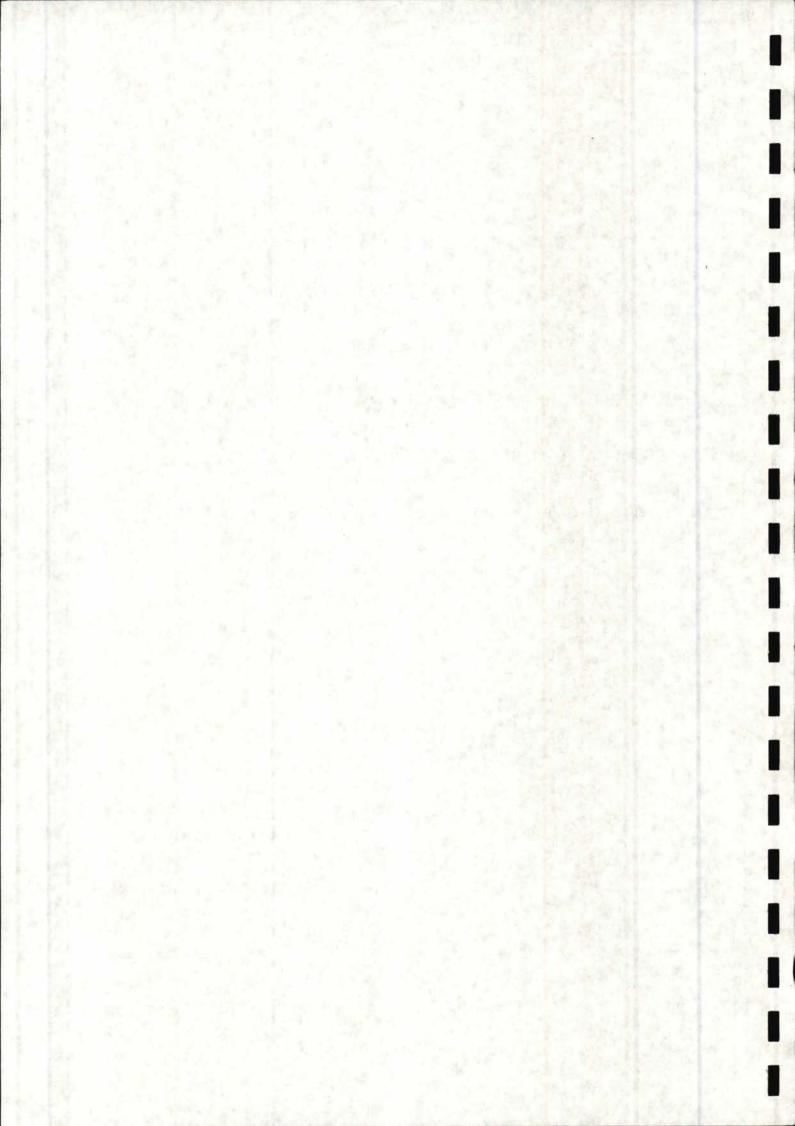

WRITTEN IN ENGLISH

BY OBLATES OF MARY IMMACULATE

OR BY OTHERS ABOUT OBLATES

OR ABOUT THE OBLATE CONGREGATION

Fr. Karl B. Smeenk OMI Sct. Leonisgade 12 8800 Viborg, Denmark

#### Introduction

Hopefully, this preliminary list of Oblate publications in English can be of help. This list cannot yet be called a bibliography, since it is too incomplete and contains probably many mistakes.

Many of the published books, pamphlets, periodicals and reprints can be found in the libraries of the Gneral House in Rome. They are indicated in this list by a star (\*). Others were found in different or specialized bibliographies. Some English-speaking provinces have helped me by sending lists of the publications they could find in their archives and libraries. But there are probably other publications in the different provinces that are not included in these sources.

My work with these Oblate publications is an interesting hobby. Maybe someone in the English-speaking provinces has the time and interest to make a bibliography of all publications in his own province. And if a copy of it could be sent to the General Archives in Rome and to me, a complete bibliography could be made.

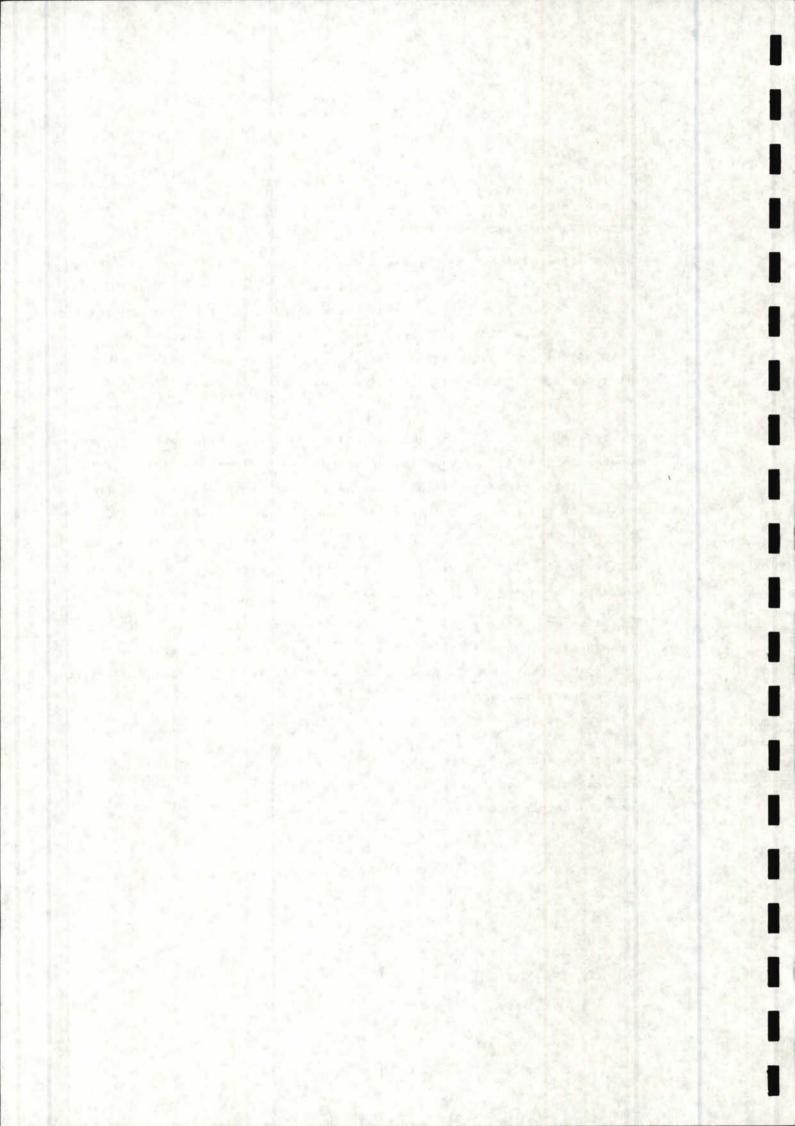

But if possible, please send me already now corrections, additions and suggestions in regard to this preliminary list.

This list does not contain the innumerable articles, found in Oblate newspapers and periodicals and in non-Oblate periodicals, written by Oblates or about the Oblate Congregation. Only those articles are included that appeared as reprints.

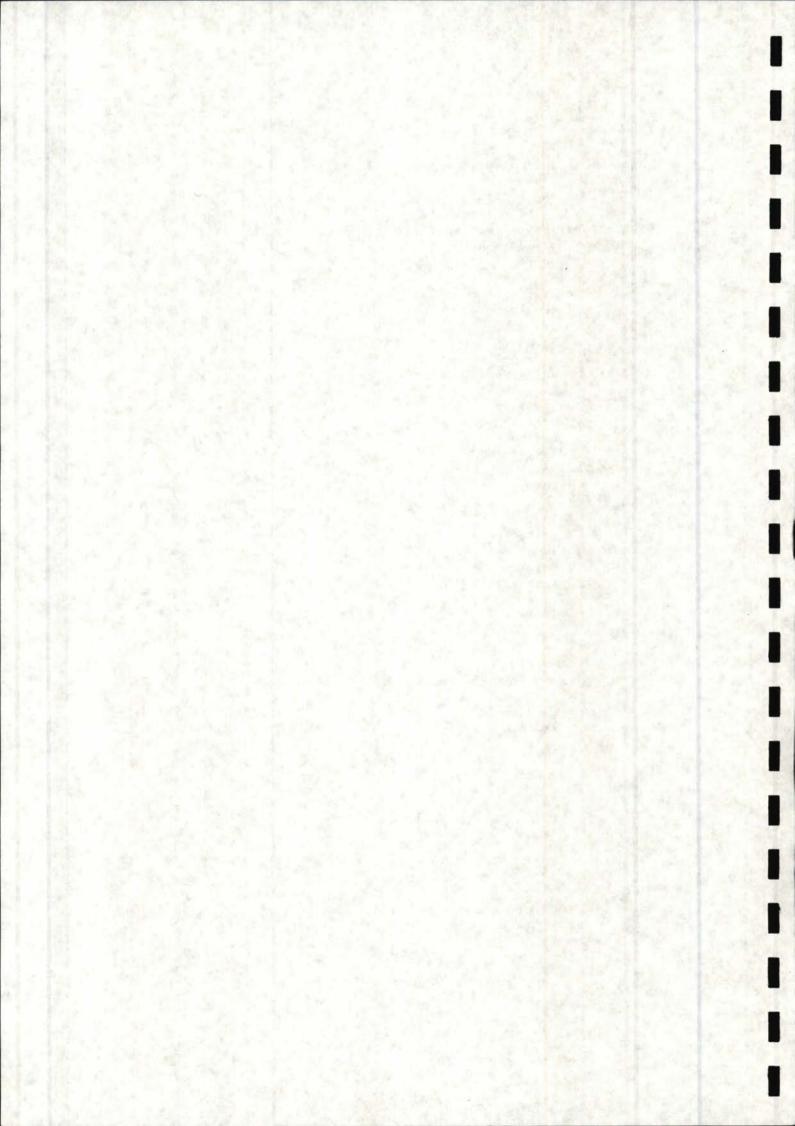

Parish bulletins of Oblate parishes are not included in this list.

I want to express my gratitude to the many who have helped and encouraged me, especially to Fr. Yvon Beaudoin OMI, archivist of the General Administration.
